

## Party Anthem Lyrics

### VERSE

We stay sippin, not simpin, the squad ain't trippin,  
Throwing fits that's drippin, got the juice so mix it up in the kitchen,  
Sippin sparks eating fried chicken (that's delicious)

Best brut combo, you can Google that  
Drop a pin to the addy, I'll be where you at  
Good vibes only never lonely with the pack,  
Hit the corna sto for another bottle, then hurry back,  
Livin full throttle ain't a role model, rebel drinker as a matter fact,  
Sip Morning, noon, and night till the dawn don't crack  
Cork poppin pouring waterfalls with no slack

Savor the tasty moments, feel the bliss  
Fresh flavor & a lil' sweetness on ya lips  
Other brands on the shelf can't stack up to this  
my team winnin quallys & championships

### CHORUS

Brunch all day (we Sippin Sparks)  
Down by the Bay (we Sippin Sparks)  
no work all play (we Sippin Sparks)  
Baking a soufflé? (we Sippin Sparks)  
Gettin litty with my committee (we Sippin Sparks)  
Every town every city (we Sippin Sparks)  
At around tree fiddy (we Sippin Sparks)
